The other is a book I bought in when it first came out, the MAP "Construction for Aeromodellers" A GREAT book from which I learned an awful lot. Mine is especially precious to me as it carries the inscription "Best wishes and good flying; Ron Moulton" Again I have scanned a typical page at random. A partial list of book titles is shown below.

Checked this book out from the library hoping to learn ways to train a prospective pup into a well-behaved dog. There was supposed to be 98 essential tips and techniques here but I didn't find that many. After finishing the book, I still need to read the "how's" on Cesar's training techniques because I didn't get it here.
