Summary Wiley has an extremely strong list of publications on econometrics with books published both in New York and Chichester. The publication of the new edition of GS Maddala's 'Introduction to Econometrics' will serve to consolidate our position as one of the leading textbook publishers in econometrics.

Introduction to Econometrics 3rd edition (9780471497288 ...

Econometrics Back cover copy Maintaining G.S. Maddala's brilliant expository style of cutting through the technical superstructure to reveal only essential details, while retaining the nerve centre of the subject matter, Professor Kajal Lahiri has brought forward this new edition of one of the most important textbooks in its field.

Introduction to Econometrics : Kajal Lahiri : 9780470015124

Although these incidentals are well written, they remain peripheral, when they should be the focus of any undergraduate econometrics textbook. To its credit, Maddala's text does an excellent job of explaining concepts and problems in plain English, which would do well to supplement a purely mathematical approach.

Introduction to Econometrics 3e 3rd (third) Edition by ...

Introduction to Econometrics has been one of the most important textbooks in its field influencing several generations of students. G.S Maddala died in 1999 whilst he was completing the manuscript for the third edition. The time is right for a new edition and Kajal Lahiri is the ideal person to update the text.
