This book provided a lot of information about scholarships BUT most of them have expired by now. This book is marketed as 2018, but the applications for scholarships listed were due in 2017. I thought the scholarship applications in this book would be available to apply in 2018, not to be used in 2018.

This book is helpful, in that it lists gobs and gobs of scholarships. But.... 1) many of the scholarships listed have not been active since 2016, so should not be included in a 2018 book (even though it was printed in 2017) 2) the science scholarship section should really be called STEM as it includes scholarships for engineering, computer technology, health care, etc. 3) the most annoying ...
