Too Bad! by Isaac Asimov

Too Bad! General Science Fiction Story. 1989. A robot designed to miniaturize itself (à la Fantastic Voyage) is sent into its designer to combat cancer. This is actually not a bad story, even if I did neglect to review it until I got around to Robots from Asimov's.

Too Bad! - Isaac Asimov

After disliking making multiple revisions of "Black Friar of the Flame", Asimov refused to make major, second, or non-editorial revisions ("like chewing used gum"), stating that "too large a revision, or too many revisions, indicate that the piece of writing is a failure. In the time it would take to salvage such a failure, I could write a new piece altogether and have infinitely more fun in the process".

It is too bad Isaac Asimov's history books are out of print. As a history teacher, mainly targeting middle school aged kids, I am very distressed to see a dearth of readable history books targeting this age group. Most history books are dry accounts with dates and events in dry succession. Asimov is a delightful read.
