An English country house is a large house or mansion in the English countryside. Such houses were often owned by individuals who also owned a town house. This allowed them to spend time in the country and in the city—hence, for these people, the term distinguished between town and country. However, the term also encompasses houses that were, and often still are, the full-time residence for the landed gentry that ruled rural Britain until the Reform Act 1832. Frequently, the formal business ...

A cottage is, typically, a small house. It may carry the connotation of being an old or old-fashioned building. In modern usage, a cottage is usually a modest, often cosy dwelling, typically in a rural or semi-rural location. The cottage orné, often quite large and grand residences built by the nobility, dates back to a movement of "rustic" stylised cottages of the late 18th and early 19th ...
