### World History In Documents A

While world history materials date back to prehistoric times, the field itself is relatively young. Indeed, when the first edition of Peter Stearns's best-selling World History in Documents was published in 1998, world history was poised for explosive growth, with the College Board approving the AP world history curriculum in 2000, and the exam shortly thereafter.

### World History in Documents: A Comparative Reader: Stearns ...

Considerably revised, this edition of "Documents in World History" gives professors a large variety of primary sources from all areas of the world. The book retains its global emphasis and includes more primary sources that balance social and cultural history with standard selections, political coverage, and greater coverage of Africa and the Middle East, including Persia.
